Police Benevolent Association Endorses Bill Foster for Mayor of St. Petersburg

St. Petersburg, FL – Mayoral candidate Bill Foster has received the endorsement of the Sun Coast Police Benevolent Association. This is a powerful statement from local law enforcement regarding their belief that Bill Foster is the mayoral candidate most qualified to make the streets of St. Petersburg safer for all citizens.

Speaking about Foster's endorsement, Sun Coast PBA President Mark Marland said, "It is with utmost confidence that the PBA endorses Bill Foster for Mayor of St. Petersburg. His track record regarding public safety is unequaled. His vision and ideas for the future of St. Petersburg are well thought out and based upon his 10 years of experience in municipal government."

Asked for his thoughts on the endorsement, Bill Foster states, "The public safety of our residents is a top priority for me, and I am humbled and honored to have the support of the men and women we entrust with our personal safety."

On his specific plans, Foster added, "There is no higher priority for local government than public safety. We can and will work together to eliminate the conditions that allow criminal activity to flourish by targeting these conditions with presence, education, technology, community partnerships, and the effective use of all resources available to us on a national scale."
